

Genesis 28:10-22 • Jacob's Ladder

1. (v.10-12) The ladder is a deeper teaching that the only way to God is through **the Messiah**.

2. (v.13-14) The ladder is a spiritual **bridge** between the spiritual heritage of our **past** and the one we're to pass on to **future** generations.

3. (v.15) We are called to continue a spiritual **legacy**, yet in the process we are called **individually**.

4. (v.16-17) To properly access the ladder the correct sequence is:
 - a. We have an **encounter** with Christ.
 - b. The encounter produces the unavoidable **revelation** of Who He is.
 - c. Our heart is brought into **reverent fear** of Him.
 - d. We are forever changed going forward by our **acknowledgment** of Him.

5. (v.18-2) It's a place for **covenants** where both parties bind themselves to an agreement.
