

***Walk With the Word***  
Deuteronomy 27-34  
The Curses of God (Deut 27:11-26)

The Curses in the Bible...

...are pronouncements for evil and \_\_\_\_\_ .  
...include exchanging protection and blessings w/ \_\_\_\_\_ .

The Curses from God...

...are every bit as real as \_\_\_\_\_ .  
...can be found from Genesis to \_\_\_\_\_ .  
...are the subject of the last words in \_\_\_\_\_ .  
...against Israel are always associated with \_\_\_\_\_ .  
...apply mostly to those who have accepted \_\_\_\_\_ .

The Curses of Mt. Ebal...

...are presented with the omission of \_\_\_\_\_ .  
...are accepted by the Israelites as a part of the \_\_\_\_\_ .  
...curiously, are all associated with \_\_\_\_\_ .  
...are expanded in the Word to show the Law \_\_\_\_\_ !  
...are overshadowed by the blessings of \_\_\_\_\_ .

The Curse of the Old Covenant...

...is that being under the Law is being under \_\_\_\_\_ !  
...is that trying to become justified by the Law results in \_\_\_\_\_ !  
...is that putting oneself under the Law brings with it \_\_\_\_\_ !

The Curse of the Old Covenant...

...is brought to an end through the person of \_\_\_\_\_ .  
...is overcome by accepting to live in Christ \_\_\_\_\_ .  
...is neutralized by fulfilling the \_\_\_\_\_ .

The Curses of God...

...remain with us today in the nation and in \_\_\_\_\_ .
